

HAZEL LARCENA

CLOUD & APPLICATION SUPPORT • IT SERVICE MANAGEMENT • FRONT-END DEVELOPMENT

Carmona, Cavite, Philippines | +63 965 163 2241 | larcenahazel.saringo@gmail.com

PROFESSIONAL SUMMARY

Results-driven Information Technology graduate with hands-on experience in cloud and application support, Microsoft Azure, Amazon Web Services (AWS), Windows Server administration, Active Directory Users and Computers (ADUC), patch management, and IT Service Management using ServiceNow. Additional experience in UI/UX design, front-end web development, WordPress, and customer-facing operations. Skilled in troubleshooting, incident and service-request handling, system maintenance, and translating business or user requirements into practical technical solutions.

CORE SKILLS

Cloud & Infrastructure: Microsoft Azure, Amazon Web Services (AWS), Cloud Support, Windows Server Administration, Active Directory Users and Computers (ADUC), Patch Management, System Updates

IT Operations & Support: ServiceNow, IT Service Management (ITSM), Incident Management, Service Requests, Technical Troubleshooting, Microsoft Office

Web Development & Design: Front-End Web Development, UI/UX Design, Web Design, WordPress, Figma, PHP, Object-Oriented Programming (OOP) Fundamentals

PROFESSIONAL EXPERIENCE

Associate Software Engineer - App / Cloud Support | Accenture Inc.

2024 - 2026

- Provided cloud and application support and performed infrastructure maintenance across Microsoft Azure and Amazon Web Services (AWS) environments to support system availability and performance.
- Used ServiceNow to track, triage, document, and resolve incidents, service requests, and technical issues in accordance with ITSM workflows.
- Performed patch management, system updates, and Windows Server administration activities to support security compliance and system stability.
- Worked with Active Directory Users and Computers (ADUC) for Windows environment administration and user/computer account management.

Freelance UI/UX & Front-End Developer | Neuralcore

2024 - 2025

- Designed user-centric interfaces using UI/UX and web design principles.
- Developed responsive front-end web experiences for multiple devices and screen sizes.
- Collaborated with clients to translate requirements into functional and visually consistent digital experiences.

Service Crew / Guest Experience Leader | Golden Arches Development Corporation

Aug 2024 - Jan 2025

- Delivered customer service and supported front-line operations in a fast-paced environment.
- Collaborated with team members to maintain efficient daily workflows and service standards.
- Handled customer inquiries and resolved concerns promptly to support customer satisfaction.
